

## Tristar Support Equipment Disposal Pricing Schedule

Tristar Support offers a disposal service to meet our customers legal Duty of Care under both the Environment Act and the Data Protection Act and to also provide a complete auditable service to allow for asset registry management.

This service provides a fully audited service utilising a client/server database - every item is PAT tested and given a unique barcode thus providing complete trace-ability.

This option includes (if required):

- A collection service using our own staff.
- Waste Transfer Note, a legal requirement
- Guaranteed auditable data destruction
- Certificate of Destruction
